

## Curriculum Vitae

**Mathias Schulze**

### Degrees

- 1996—2001 **PhD** (Language Engineering), UMIST, Manchester, UK, dissertation: *Textana—Grammar and grammar checking in parser-based CALL*<sup>1</sup>
- 1985—1990 *Diplomlehrer für Deutsch und Russisch*, Pädagogische Hochschule Leipzig, Germany, 1990 (**MA** equivalent with K-12 teaching qualification for German and Russian languages and literatures including courses in developmental and learning psychology, education theory, language-teaching methodology)

### Employment

- 2017— **Director of the Language Acquisition Resource Center**, San Diego State University, USA
- 2017— **Professor of German**, San Diego State University, USA
- 2017— Adjunct Professor of German (Research), University of Waterloo, Canada
- 2015 Guest professor, Universität Mannheim, Germany
- 2015— Affiliate researcher, Waterloo Institute for Complexity & Innovation, University of Waterloo, Canada
- 2015—17 Professor of German (promoted 1 July 2015), University of Waterloo, Canada
- 2009—17 Director, Waterloo Centre for German Studies, University of Waterloo, Canada
- 2006—15 Associate Professor of German (tenured 1 July 2006), University of Waterloo, Canada
- 2001—06 Assistant Professor of German (appointed 1 Sept 2001), University of Waterloo, Canada
- 1995—2001 Lecturer in German Linguistics and CALL, UMIST, Manchester, UK
- 1992—95 Lecturer in German, Manchester Metropolitan University, UK
- 1991—92 Part-time Lecturer in German, University of Sunderland, UK

### Awards

- 2015 and 2010 Outstanding Performance Award, University of Waterloo
- 1990 Diesterweg Prize for outstanding achievements at a teacher training college
- 1989 Herder Medal in Gold for outstanding achievements in Russian language and linguistics

### Larger research grants (selection)

- |         |   |           |
|---------|---|-----------|
| 2017    | Canada Foundation for Innovation: Language Interaction Laboratory (principal investigator; equipment grant; returned because of move to US) | \$106,000 |
| 2017    | SSHRC Insight: Language learning processes revisited: adaptive instruction in technology-mediated contexts (co-investigator)                | \$232,625 |
| 2015    | UW SSHRC: <i>Ergonact: Language learning processes in technology-mediated activities</i>  | \$10,248  |
| 2015    | OBW Faculty Research: <i>Accumem—Acculturation and memory: A corpus-linguistic study</i>  | \$3,500   |
| 2015    | DAAD/German Academic Exchange Service: Guest Professor Universität Mannheim   | €2,000    |
| 2014—15 | LITE: <i>Geroline—Students' learning trajectories in language courses on campus and online</i>  | \$4,950   |
| 2014—16 | WCGS and German-Canadian Education Fund: <i>Germans of Waterloo—Oral History Project</i> (principal investigator)                           | \$40,000  |
| 2010—14 | SSHRC SRG: <i>Scaffolding and individualized instruction in CALL</i> (co-investigator)  | \$117,830 |

---

<sup>1</sup> I completed my PhD part-time, while working full-time in a faculty position at UMIST between 1 January 1996 and 1 July 2001.

2009	LIF: <i>Estila: Engaging students through increased language awareness</i> (principal investigator)	\$14,941
2007—10	SSHRC SRG <i>Learner variability and student modeling</i> (principal investigator)	\$151,113
2006	UW/SSHRC Travel Grant CALICO 2006	\$1,800
2005—06	SSHRC conference grant <i>German diasporic experiences</i> (co-applicant)	\$16,000
2004—05	UW/SSHRC <i>Language maintenance and use among the KW German-speaking minority</i> (co-investigator)	\$5,229
2004—06	UW/SSHRC 4A <i>Developing learner language structures in online education</i>	\$15,000
2003	UW/SSHRC <i>Computer-aided analysis of grammatical errors</i>	\$3,675
2003	LTI <i>WatPAL—Reducing learning time and increasing student learning with learning designs</i> (principal investigator)	\$60,000
2002	LTI <i>Geroline learning impact study</i> (principal investigator)	\$10,000
2001	Wes Graham Fund <i>Geroline—Research and development of elementary online German courses</i> (co-investigator)	\$25,000
1999	UMIST: Development of a postgraduate degree program in CALL	£10,000
1997	UMIST: Learning innovation grant	£3,000
1990—92	State of Saxony (Germany) Doctoral Research Scholarship	DM24,000
